Digital Scrapbooking Mastery, No. 1 Replacing Color Swatches for PS Manual © 2019 Jen White

- Please watch Pre-Class Video 001 before proceeding.
- To follow along exactly, you'll find the swatches I'm using in the download.

Swatches Panel

- In the Menu Bar, choose Window > Swatches.
- Click and drag the Swatches panel to dock with the Layers panel.

Replace the Color Swatches

- In the Swatches panel, open the flyout menu and choose Replace Swatches.
- In the dialog box, navigate to the swatches you downloaded from Pre-class Video 1 and click Open.
