

## Coloring Gold Supplies

My goal is to always try to find supplies that are easily available to you, while at the same time, re-using materials I know you already have, and introducing one or two new supplies. For this project you will need:

### Supplies:

- Cardstock paper 4x4 inches (Bristol smooth, Bristol Vellum, Hotpressed watercolor paper or equivalent). Zentangle tile not recommended, it's too grainy.
- Black 01 Micron inking pen.
- Journal or practice paper
- White gel pen
- Regular pencil
- Colored pencils:
  - White prismacolor
  - Light Blue (I use Faber Castell Light Cobalt Turquoise)
  - Pink rose (I use Faber Castell Dark Flesh or Salmon)
  - Light Yellow (I use Prismacolor Lemon Yellow)
  - Light Orange (I use Faber Castell Cadmium Orange)
  - Ochre (I use Faber Castell Green Gold or Brown Ochre)
  - Dark brown (I use Faber Castell Burnt Umber)
  - Black

## Equivalents in Various Color Pencil Brands

Here you will find a list of alternative colors in various brands. Keep in mind that this list is far from comprehensive. If you find a good combination that is not here, [send me email](#) and let me know!
