Influential Childhood
Books

Back to Childhood!

Many things have fed your muse as she nestled in your subconscious.

- Adages/Advice/Warnings your mother/father/influential adults told you.
- Memorable events, good and bad, that happened when you were a child (that you barely remember, if at all).
- The books you read, or were read to you.

You're going to begin with the easiest: the top 10 most influential books from your childhood.

Enjoy your trip down memory lane!
