

Hill and Gully Rider

Hill and Gully Rider

(Hill and Gully)

Hill and Gully rider

(Hill and Gully)

And you bend down, low down

(Hill and Gully)

And I'm low down to the ground

(Hill and Gully)

And I go down to the ground

(Hill and Gully)

And then you dance right round now

(Hill and Gully)

And you better mind, you tumble down

(Hill and Gully)
