STUDENT NOTES

Welcome to Winning Souls and Making Disciples 101!

This is the first class in my three-part course on Evangelism and Discipleship.

In this course, you will learn:

1. How Jesus invites people to follow Him and become His disciples today
2. About the calling of Nathanael; we will examine three of his encounters with Jesus as a biblical case study that demonstrates how God wins the hearts and lives of those He calls
 - a. Truth encounter
 - b. Power encounter
 - c. Commitment encounter
3. We will examine Jesus as “The True Light” as revealed in the Gospel of John; and how He is prophetically and symbolically unveiled as the Messiah/ Christ through Jewish Feasts
4. We will discuss what it means for YOU to be the light of the world and expand the knowledge of Jesus Christ to the world around you
5. You will learn how to step out and “take the shot” in sharing the Gospel through personal evangelism
6. You’ll learn the ABCs of Salvation
7. How to communicate Roman’s Road
8. How to craft your personal testimony for witnessing
9. Ways to address the common objections that unbelievers have towards receiving the Gospel
10. How to avoid the common traps that hold evangelists back from being effective in ministry

We have a lot of material to cover, and I’m so excited to begin this journey with you! Let’s get started.

APPLICATION

Prepare the materials you'll need to take notes and ask the Father to open your heart to receive all the knowledge that will be imparted to you in this course. Tell Him what you hope to transform about your ministry and confide your dreams for the future concerning evangelism and discipleship.
