A Summit With A Greater Mission

We're partnering with World Mission Outreach and donating part of For Such a Time as This Summit's profits toward building the New Naomi Ruth Orphan Center in Tanzania!

This project is near and dear to our hearts as we have worked closely with Darlene and Henry Matarrita in world missions for many years.

You are playing a crucial role in this wonderful project and it wouldn't be done without partners like you! It is such a blessing to see how the Lord is using you to bless these children and this community!
