

Future-Proof Your Mindset

Impact On Our Jobs And Skills

By Christian Kromme

APPROX 78% OF OUR ECONOMY IS BASED ON HARD SKILLS

“5.1 million jobs could be lost over the next five years in the 15 global leading economies from developments such as Robots and AI”

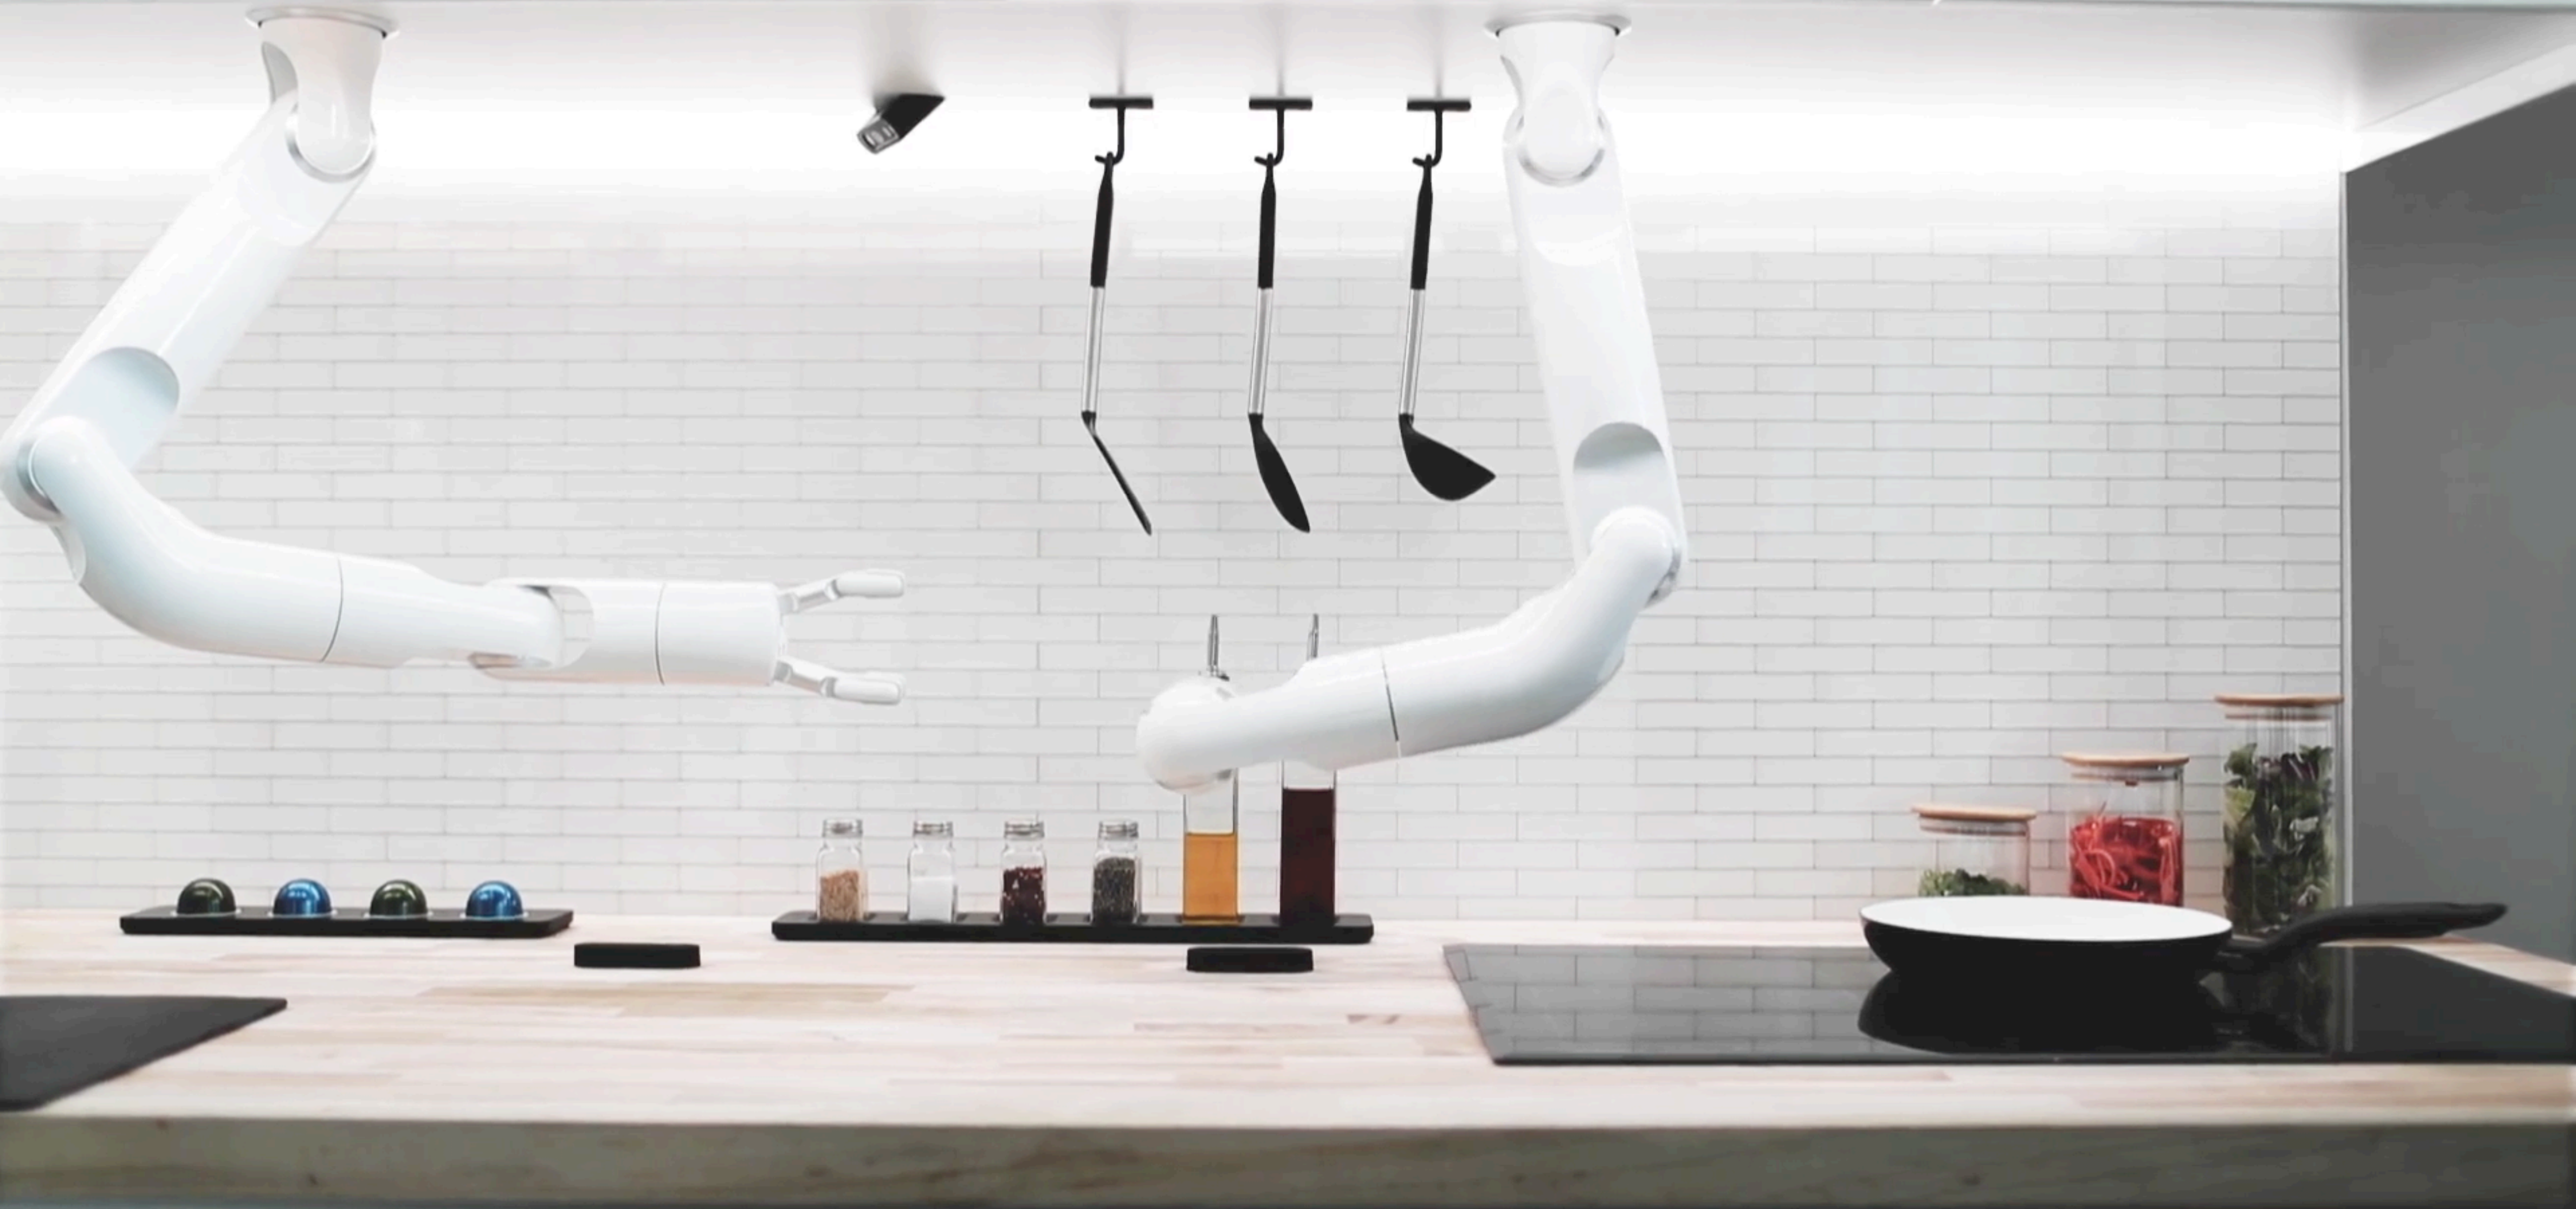

- World Economic Forum -

AI AND ROBOTS WILL BE VERY GOOD AT HARD SKILLS

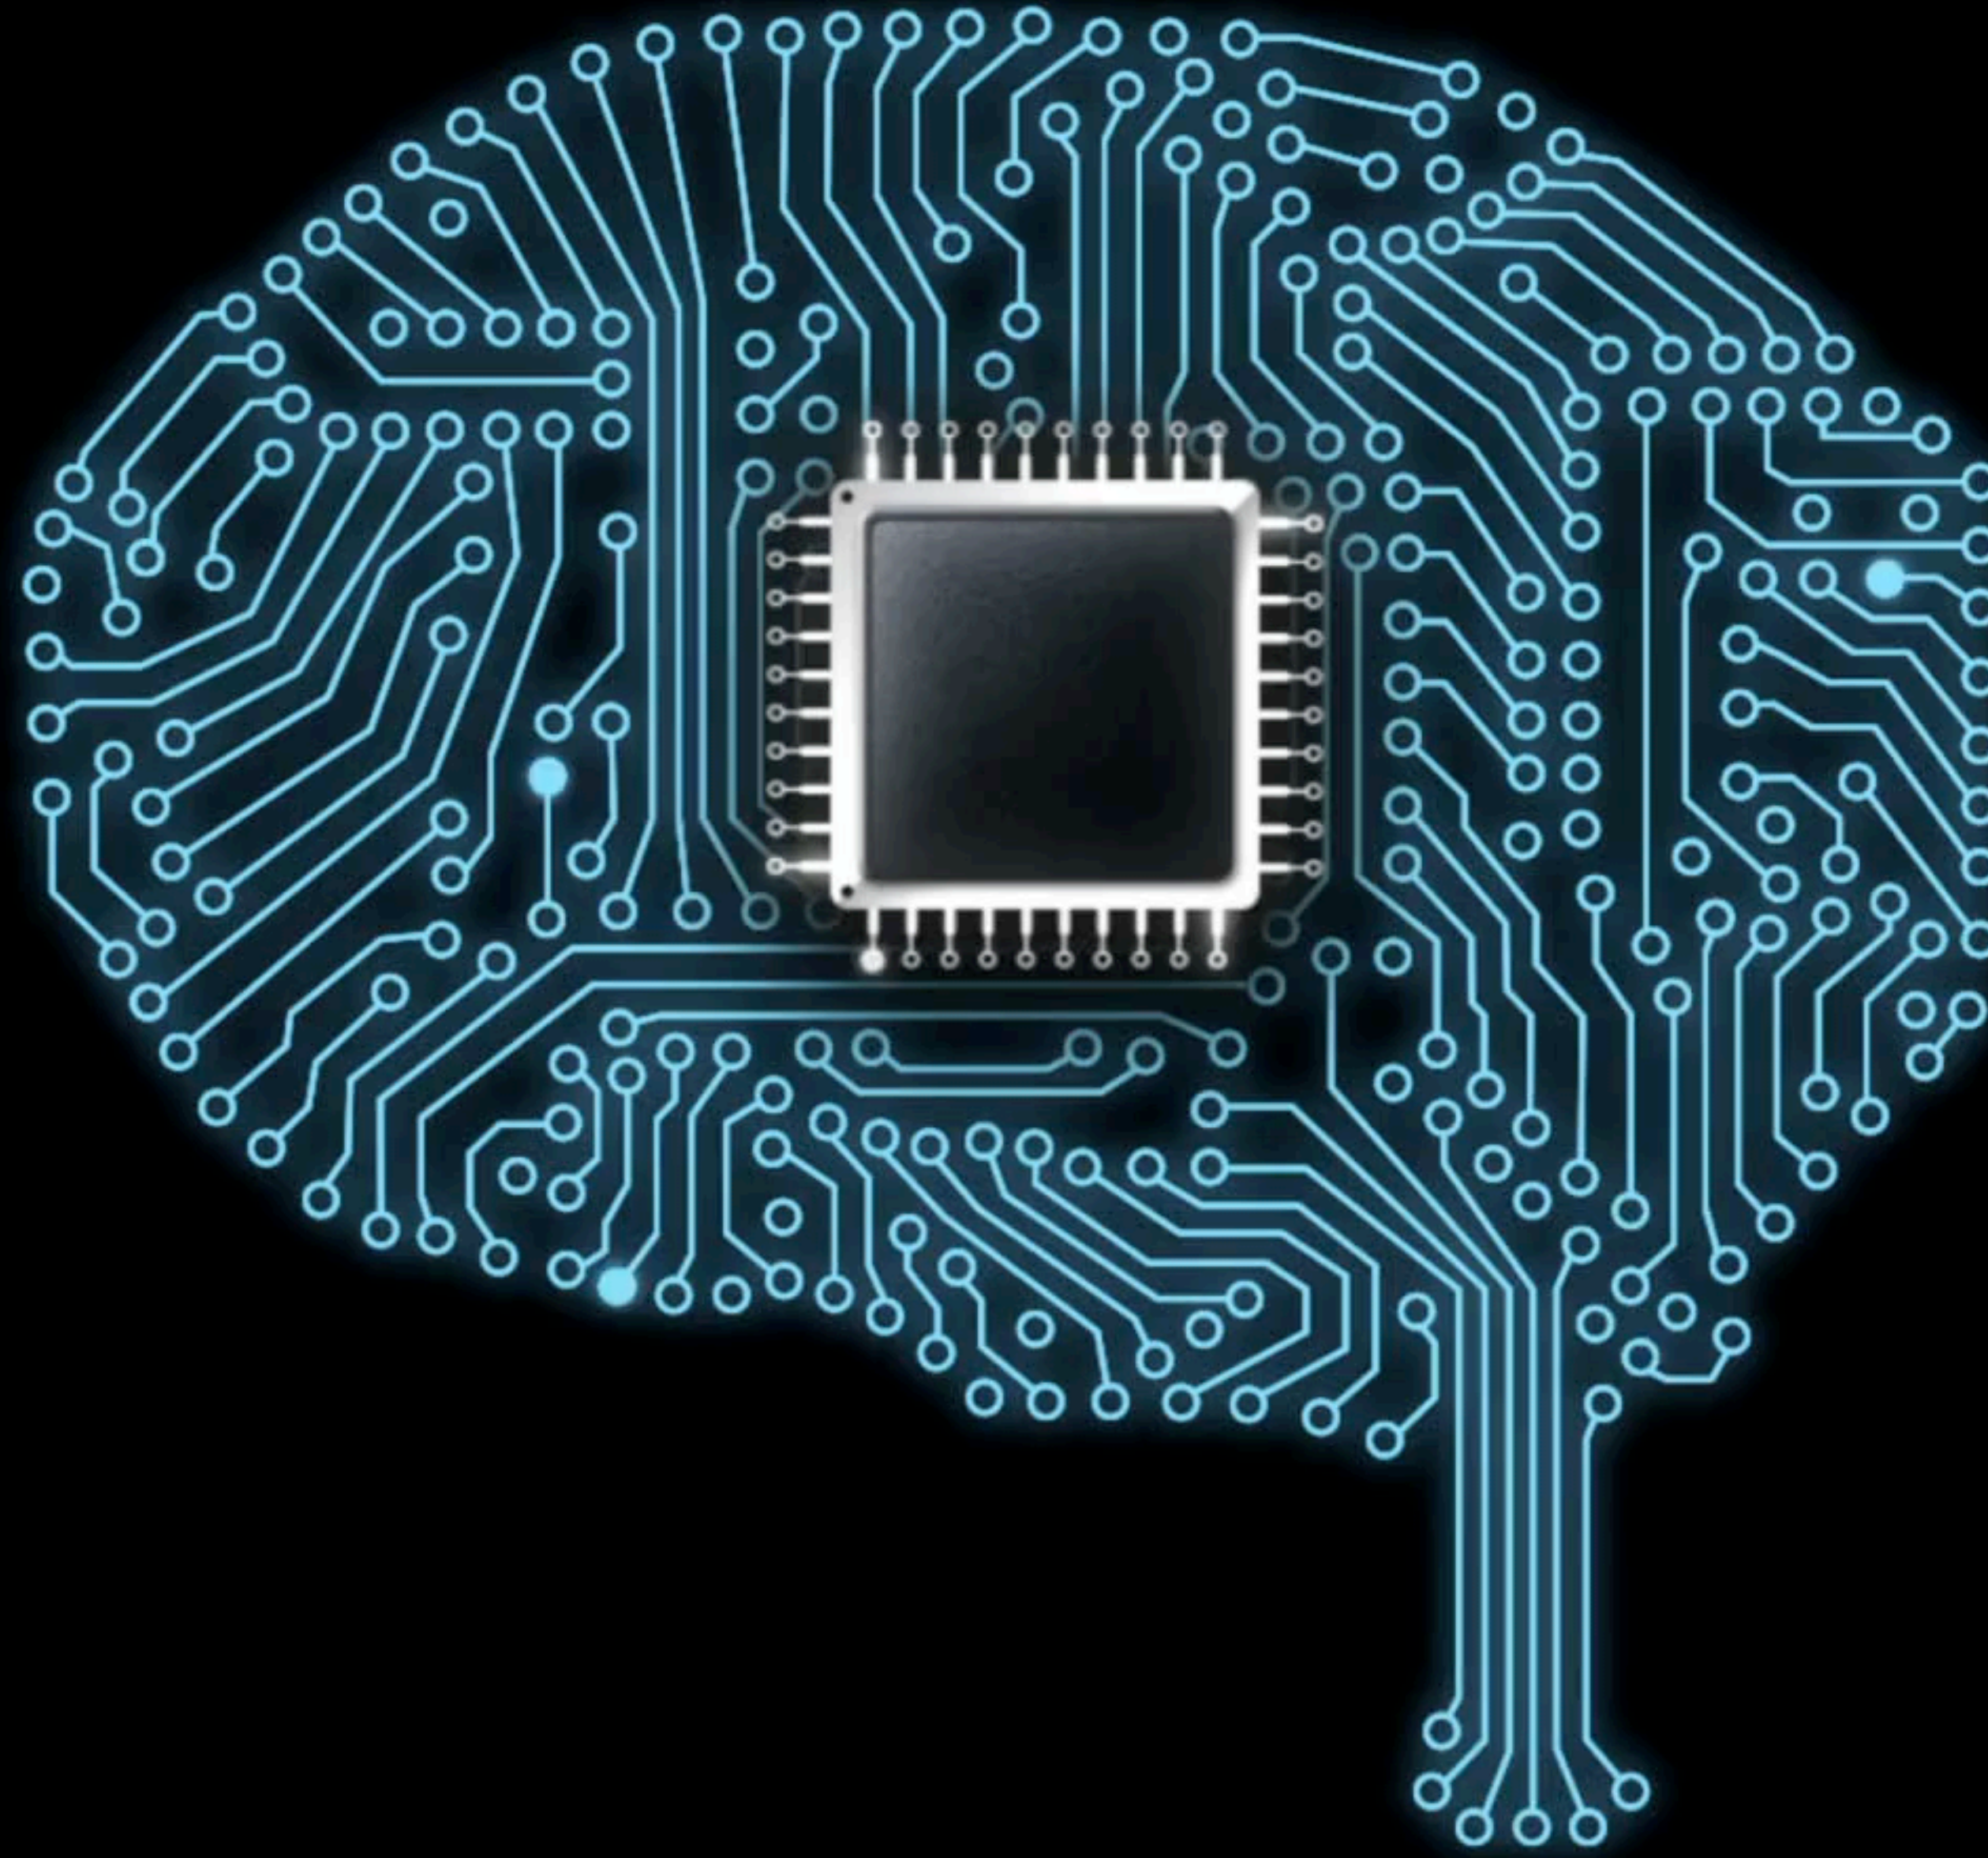

TASKS DEFINED BY RULES CAN AND WILL BE AUTOMATED

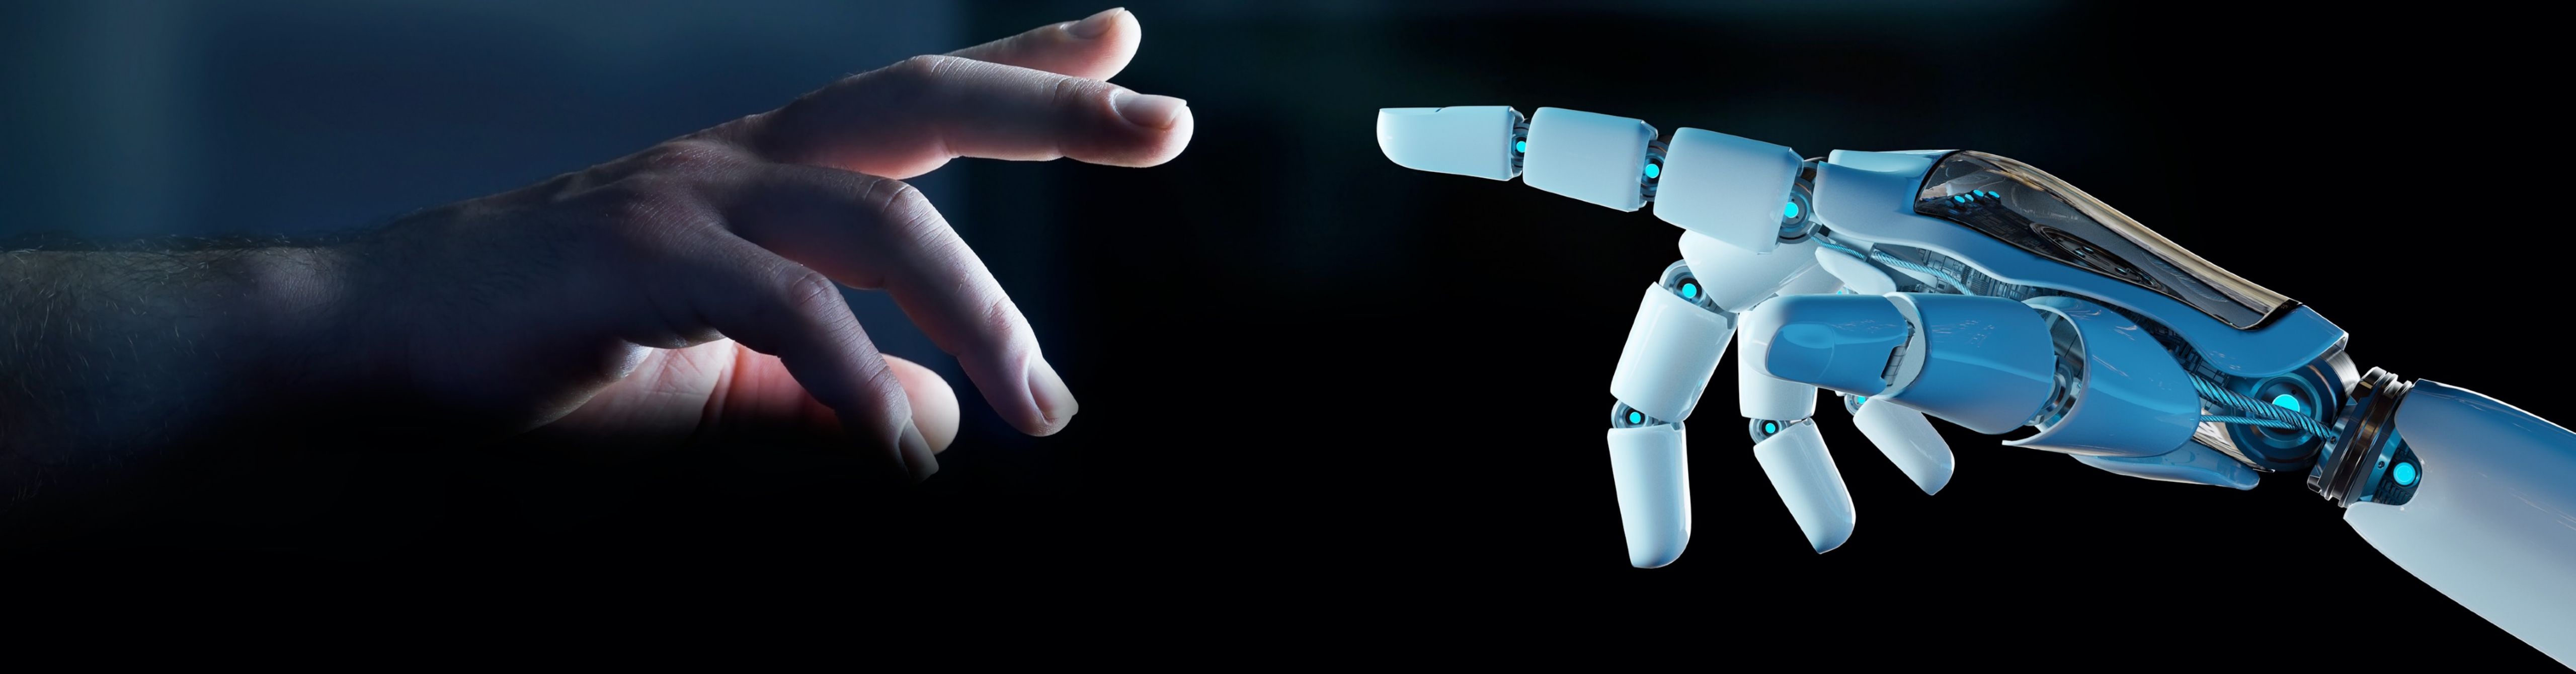

THESE TASKS WILL BECOME CHEAP ABUNDANT AND A COMMODITY

IF YOU DO MACHINE-LIKE WORK, MACHINES WILL OUTPERFORM
YOU VERY SOON

SO, HOW DO WE STAY AHEAD OF THE MACHINES?

IF IT CANNOT BE DIGITISED IT WILL INCREASE IN VALUE
