

Types of Intuitive Abilities and Higher Guidance

Spirit beings often do not intervene in our lives unless we ask- we have free will they do not violate!

CLAIRVOYANCE

- Seeing images in your mind's eye
- Having visions or precognitive dreams
- Seeing colors, auras, geometric symbols
- Noticing messages that speak to you on signs, number sequences.

CLAIRSENTIENCE

- Feeling the emotions of others
- Picking up on energy in a room
- Being deeply affected by what you hear on the news/radio
- Feeling someone's state of physical or emotional health

CLAIRAUDIENCE

- Hearing in your mind words/phrases that don't seem to be your own
- Word/messages on the radio/TV that speak just to you
- Hearing angelic music or a loving voice saying your name

CLAIRCOGNIZANCE

- Great ideas that seem to come out of nowhere
- A sense of just "knowing" things
- Creative business ideas, inventions
- An inspired thought you feel very strongly

Want to connect?
Just ask! They want to hear from you!
Reach out to whomever you resonate with!

SPIRIT GUIDES

- Lived as humans at one time
- Can be deceased loved ones
- Some stay with us forever, some temporarily
- Help us with life lessons
- We have many!

ANGELS

- Are the messengers of the Divine (God)
- Have never incarnated
- Are pure love
- Archangels have specific, powerful energies
- We each have at least two guardian angels

ASCENDED MASTERS

- Once lived as humans but ascended beyond human form
- Often connected to specific religions
- Help us with expanding our consciousness and with ascension

DIVINE SOURCE/ GOD

- Pure love, highest vibration
- Only sees love
- Creator of all that is
- Lives within us and around us
- Primary message: "You are loved."
