## **Leadership & Ministry Opportunity Information**

As a ministry, our mandate is to build leaders while leading souls to Christ. Therefore, we want to allow you to grow into the ministry leader God ordained.

### **Difference between Leadership and Ministry Time.**

As a **Leader**, you oversee a specific department which means you are leading, ministering, and governing within that department. For example, as the Leader of our Bible Study, you will plan which chapter of the Bible the class is studying and ensure the people are aware of what's being studied. As a leader, you will also be responsible for raising leaders, granting individuals time to teach bible study during a specific day. A perfect opportunity to grow as a leader.

As someone who wishes to have **Ministry Time**, you want to volunteer to minister on a specific day without the full responsibility of overseeing a department. A perfect opportunity to grow as a minister.

Here are a few areas where you can become a Leader within Rise Ministry, Inc.

1. You can lead and facilitate our Bible Study
2. You can lead and facilitate our outreach department
3. You can facilitate and coordinate our events and scheduling department.
