VER 7 # 11 000 PHRASES

Let's try to discover French phrases in a different way with this exercise. The phrases on the list are splitted, with the first part of the phrase listed on the left-hand side of the worksheet and the second part listed somewhere on the right-hand side of the worksheet. Draw lines to connect the two parts of each phrase. Then write the complete phrase on the blank line. I hope you will enjoy this exercise!
