Persuasion & Sales Process

Meet → Like → Know → Trust

- Whilst I love Linkedin; Google gives you exposure to the mass market and lots of people who use and don’t use LinkedIn.

Influence ATTRACTS

- It gives you incredible credibility and trust – that translates into clients.

Your Sales & Marketing Eco-System

- I’ve found that as long as I keep the reviews coming and make sure my Google Profile is all good – it will keep my business happening.

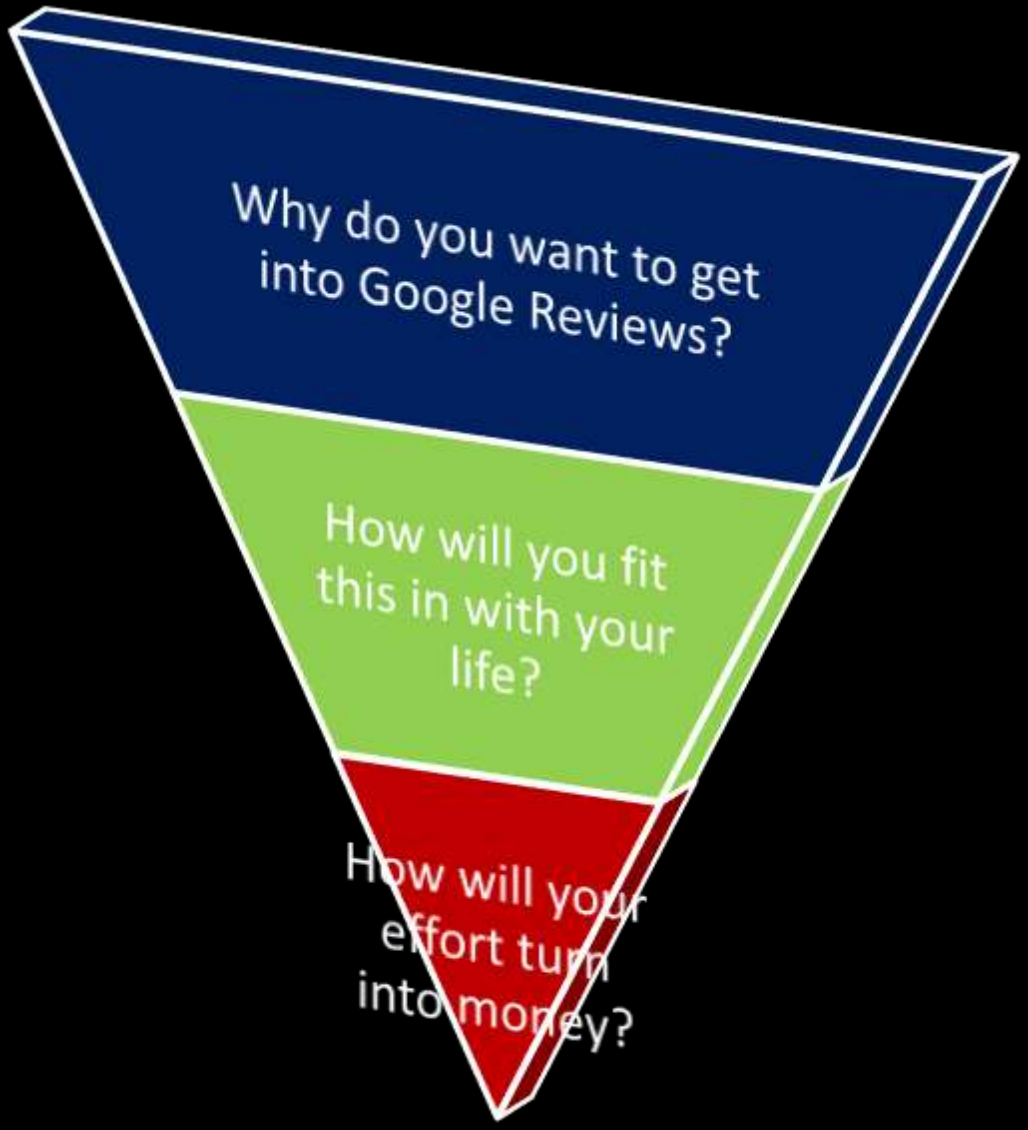
Ed's Lesson #1



Why do you want to get into Google Reviews?
How will you fit this in with your life?
How will your effort turn into money?

Ed's Lesson #2

- Keep doing the photos and watch what hits and what doesn't – once you get going, you shall feel good!

Ed’s Lesson #3

- Do it direct from phone – avoid using PC, unless at the start to kick you off.

Ed's Lesson #4

- Make it part of your whole experience.

Ed's Lesson #5

- Your clients and friends maybe on Google too – get them to give you a 5 star experience.

Ed's Lesson #6

- Keep them moving and don't stop.

Ed's Lesson #7

- Don't ever stop – keep at it.
