Where are you at with AI in language learning?

A – I have never tried it. Where do I even start?

B – I've dabbled with a tool or two.

C – I have 1-2 prompts or apps for AI practice that I use regularly

D – I'm a pro and use several tools to help me practice every day!

Our philosophy

- **Language learning is for everyone**, not just young, rich, smart, privileged people
- Learning languages is a **joyful** thing
- When you find the tools and resources that work for you, it even becomes **easy**

And how do we know about this?

Hi, we're Josh & Kerstin! 🙌

Kerstin is a language coach with a passion for helping solo learners.

She has studied German, English, French, Italian, Latin, Russian, Spanish, Welsh and Mandarin Chinese.

And how do we know about this?

And this is Josh!

Josh is a professional interpreter, translator, teacher and... tech geek! 😄

He has studied English, Spanish, French, Italian, Portuguese, Catalan, German Hebrew, Arabic, and Polish.
