Phrasal Verbs

take after

Fluency Phrases

What's it like? / What's he like? / What's the weather like?

Say this to ask for a description of a person, place, situation, etc.

Remember "What's / What are + subject + like?"

a couple of ... (things / boys / hours, etc)

Say this to mean "two" or "three".

That sounds ... (great / nice / wonderful / terrible, etc) Remember
"That's + adjective"

That's nice

Say this as a reply when you can't think of anything else!

"I'm buying a new house." - "That's nice!"

I hope so

Say this when someone asks you about something you want to happen.

"Is this the right train for Bedford?" - "I hope so!"

I hope not

Say this as the opposite to "I hope so".

"Is it going to rain this weekend?" - "I hope not!"

That isn't long

Say this to mean that a time period is short.

"I'm here for a couple of days." - "That isn't long."

(The opposite is "That's a long time!")

There isn't time

Say this when you don't have much time.

"We can't go into that shop. There isn't time"
