

# EMAIL PLUS

It's everything you need to drive results for your business in one affordable package.

Email Plus gets you started fast. Create and send professional-looking emails, automate a series of welcome emails to nurture new contacts, run events, gather specific feedback, offer trackable coupons-and more. You also get our award-winning support team at your side every step of the way.

Call me today to learn how I can help you with your Email Marketing.

**Constant Contact**®

Email Plus includes powerful tools for your business

All the features you need to create great-looking emails that get big results.

A personalize coaching session to get you up and running in no time.

Time saving automated emails that turn contacts into customers. Create & set up once and forget about it.

A full set of campaigns to meet your goals and drive a specific action from your contacts.

Allows multiple people to do work in your account without sharing logins or passwords.
