SUBJECT: Your Four: Your Journey to Community Impact Continues!

Dear [Recipient's Name],

A few days ago, we embarked on a journey of becoming change catalysts. **I trust you've had the chance to watch our second video and have been thinking about the challenge.**

Now, it's time to check-in. How are you doing with your challenge? **Remember, it's about identifying four people from the 'football throw' categories and investing in those relationships authentically.**

Have you identified those four individuals yet? Who are they? What 'throw' category do they fall under?

I encourage you to **reply to this email and share your experience.** Your story might just be the encouragement someone else needs. Remember, we're in this together.

In a few days, we'll delve deeper into part three of our series. I can't wait to see where this journey takes us all.

God is on the move!
