

Get a loaf of bread out of the pantry

Open the refrigerator

Take out the mayo

Take out the cheese

Take out the ham

Close the refrigerator

Get a knife out of the drawer

Open the mayo jar

While someone is in line a sandwich

Remove two slices of bread from the bag

Spread a small amount of mayo on each bread slice

Ask if they want ham on their sandwich

If they decided to have ham then

Place two slices of ham on the left bread slice

Place one slice of cheese on top of the ham

Otherwise

Place one slice of cheese on the left bread slice

Place the right bread slice on the cheese with the mayo-side down

Cut the sandwich in half
