

# THE MILLION DOLLAR MINDSET

*AFFIRMATIONS*

# MONEY

I am 100% grateful for money.

Money is neutral and what matters most is what I do with my money.

*I achieve great good with the wealth I accumulate.*

I am generous, big-hearted, and ready to help anyone in need. Wealth naturally flows to me, and as a result, I am grateful. I am grateful to my Creator for His abundant graces and generosity.

I know that there is abundance in the world, and I choose to receive that abundance.

*I refuse to let past beliefs keep me from getting the wealth that I deserve.*

I reject any myths that I have believed that are unsupportive of my goals. I embrace my natural greatness and attract good things.

*I make more than enough money.*

When I make any money, I am filled with gratitude. I say, "Thank you," for even the smallest amounts of money, because gratitude fills me with joy and attracts more good things into my life.

Money is a good thing and I make more than enough. I am a wealth magnet.

# I FOCUS ON ABUNDANCE

*My mind is incredibly powerful.*

What I focus on expands. What I give my attention to grows. My mind controls the outcomes that I experience in my life.

*I have a mindset of abundance.*

I attract positive things because I constantly think about positive things. My outer life is extremely positive because my inner life is also extremely positive.

*Because I focus on good things, I attract good things into my life.*

*There is more than enough for every person in the world, including me..*

...and I choose to receive what is rightfully mine. Because I believe in abundance, I manifest abundance wherever I go and in whatever I do.

*I know that my Creator has my back.*

It is constantly looking for ways to bring good into my life. I simply must open myself up to the endless possibilities the Creator offers me. I live life to the fullest, enjoying and exploring all the amazing opportunities that come my way.

*And because the Creator has my back, I am grateful.*

I receive wealth and blessings with open hands, thankful for all that I am receiving.

# I TAKE ACTIONS ON MY DREAMS

Today, I choose to take massive action on my dreams. I know that when I combine my abundance mindset with massive action, I truly achieve limitless results. I avoid waiting for things to happen. I make them happen.

*I am achieving my biggest dreams*

Nothing can stop me because I am relentless in pursuing them. I know the Creator has my back. This belief gives me great confidence as I pursue my goals and seek to accumulate wealth.

*I am laser-focused on getting what I want, because what I focus on becomes a reality.*

I control all my thoughts and use them to push me toward achieving my dreams. My thoughts lead to my feelings, which lead to my actions, which lead to my reality.

I affirm that this is my financially best year so far. I hit all my financial goals. I attract the wealth that I desire and deserve. I am a financial success in every area of my life.

*I know that I attract abundance, and when I combine abundance with action, amazing things happen.*

I am excited to see all the good things happening in my life. I keep pushing and striving until I reach the success that I desire, and my dreams come true.
