# Hope City Church Will Use Helicopter To Drop 12,000 Eggs For Sarasota's Largest Easter Egg Hunt Event
## Innovative church invites all families from the community to include this experience in their Easter celebrations!

MARCH 22nd, 2018 // Sarasota, FL -- On Sunday April 1st, 2018 thousands of Easter eggs will fall from the sky behind Tatum Ridge Elementary School as Hope City Church hosts the Sarasota Egg Drop event, open to the public.

The free event, beginning at 10am, will be full of family fun activities and will be capped off with a helicopter fly by to drop thousands and thousands of eggs from the sky. Children will have the opportunity to hunt for the 12,000 plastic Easter eggs filled with treats all over the school's field that day.

The Egg Drop event is in the part of Hope City Church's Easter Celebration which includes a non-traditional church service filled with great music, programming for kids and an uplifting message by Lead Pastor, Peter Gowesky.

The church is planning for hundreds of first time guests to attend Hope City Church Services and Egg Drop event. "We're working very hard to make it easy for all families across Sarasota to come to church for Easter this year.  We'll have dozens of trained volunteers on site serving the families of our city." says Gowesky.  "Hope City Church has always been about serving the community, and we think providing a wholesome, free event like the Egg Drop is a great way for our church to help bring the community together."
