Let us know who you are, where you are from and what experiences you bring with you!

Please be sure to add my email to your safe list so you don't miss any information.

Here is a link to a short video with your supply list, this is also in our FB group.

I will be sending you an email with more information, Zoom link for our first call and a list of all the dates for our monthly group calls and shamanic painting sessions.

Everything we do, our painting videos and recorded calls will all be loaded into your Teachable site for you to access at any time. There is not much there right now but it will grow as our course proceeds.
