

The Language  
of Energy

WITH ASTROLOGY +  
THE WHEELS OF LIFE

Welcome

## INTRODUCTION: THE END OF THE BEGINNING

KNOW THYSELF: ELEVATE YOUR PERSPECTIVE. LEARN TO COMMUNE WITH ENERGY.  
Become empowered by your connection with everything.

This 9 week course introduces the Elements, Planets and Chakras: how to language them (how they are hidden in the language we already use) and how to upgrade these patterns within and around you – offering you a way to heal your communion with yourself and your engaged reality.

When you hear the language of the elemental quality found in everything... in emotions, actions, mental processes + ideologies...you align with your embodied expression, your blueprint of energy coded in the wheels of life (our chakras) and your chart to elevate how you can engage with your reality.

We will use the birth chart to offer a basis for you to language yourself + the elemental play of energy you express. Have you all got your chart in front of you?

“ASTROLOGY IS A LANGUAGE.  
If you understand this language  
the sky speaks to you.”

— Dane Rudhyar
