# The French Word Shapes

At the end of the page is a list of sentences, translate these sentences into French, then write these translations in the empty boxes above. The shape of the letters and of the words must match the shape of the boxes. I gave you few letters in advance to help find the words, because I know that it can be challenging sometimes. I hope you will enjoy this exercise!

"You can never understand one language until you understand at least two"  
Geoffrey Williams
