

God's Plan for Sexual Redemption 301

Student Notes

Module 1 - The Problem of Sexual Brokenness

INTRODUCTION

Welcome to Ken Fish's advanced-level course addressing the issue of Sexual Brokenness.

This is the first class of a three-part course dealing with this pervasive problem of sexual immorality and the problems that undergird it.

We will be discussing the spiritual foundations of sexuality and how sexual brokenness occurs. Through this course, we will study:

1. God's design and purpose for sexuality
2. The sin of uncovering nakedness (how we define sexual immorality biblically)
3. The role of grace in both how we minister to sexual brokenness and address it
4. Understanding the Law's relevance today and seeing God's ways through it
5. The loving intention behind God's restrictions
6. How our sonship and freedom in Christ is intended to be expressed

This course's material is weighty and unfortunately, an often neglected topic. As you progress through this course, be expectant for an increase of hope and healing to pour into your life in this area. We are going to equip you to minister healing to those you know who have been affected by it as well. Let's get started.

APPLICATION

Assemble any personal note-taking materials and ask God to open your heart and mind to receive all the instruction, faith, and revelation stored up for you within this course. Ask the Father to give you his heart for those who are bound in sexual brokenness and shame. Ask Jesus to fill you with faith and joy so you can minister with power and love. Ask the Holy Spirit to make you sensitive to his voice and leading.

Write down the ways you hope to minister in the future as you become more equipped to minister to sexual brokenness. What do you hope God will heal or deposit into you through these lessons? Who can you intercede for now in need of redemption in this area?
