## Hidden Message For the Braves

I still remember finishing

Unit 1: "Am, Is, Are" from Basic Grammar in Use.

It looked easy.

But when I tried to say it?

It wasn't easy at all.

I wasn't sure if I could ever speak English.

I felt slow. Stuck. But I kept going.

That experience stayed with me.

So when I made Spixy Korean Pattern 001,

I thought of that moment.

The fear, the doubt – and that little hope.

That's why I made this.

Because I know what that feels like.

And I want to help you move forward,  
step by step.

You don't need to be perfect.

You just need a way to begin.

Welcome to your Pattern 001.

I'm right here with you.
