What is the Intermediate Plateau?

Check-in with Luca

How to Reprogram Your Mind for Language Learning

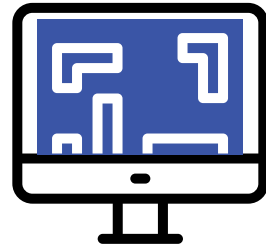

What's Included in This Course

Luca's Video Lessons

Lessons presented directly by Luca, which deliver an overview of the course content, and deliver advice and encouragement at key points in the OIP journey.

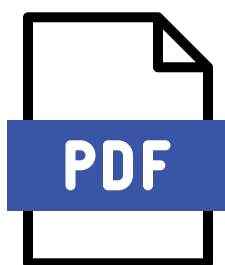

Presentation Lessons

Individual lessons delivered via slideshow and narrated by Luca, that explain everything you need to know about the key concepts of this course.

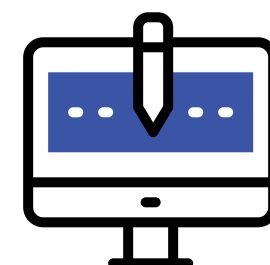

Action Steps

Focused lists of actions you can take to implement Luca's core techniques and methods for learning at the intermediate level.

Extra Materials

Supplementary content designed to help you dive deeper into individual topics, including how to apply the course content to specific languages and situations.

Video Demonstrations

Visual demonstrations of how Luca personally implements the major techniques of this course, led by Luca himself.

The Smart Language Learning Experience

“If you want to go fast, go alone. If you want to go far, go together”
African Proverb

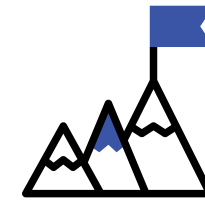

Actionable “**language missions**” to work on after completing each course module

Interact with and get **direct support** from me, my team, and community members

Monthly livestreams and Q&A sessions, where you can get **direct feedback**

Language challenges, designed to keep you focused and engaged in your daily learning

How to Take This Course

To get the most out of this course, we suggest you to follow these steps for each module:
