

HELLO AND WELCOME TO

# *Attractionista 101*

Here you'll find a two-hour recorded webinar sharing how to manifest your desires in ways that feel good and bring your intention to reality quicker.

Also included is a handbook to help you out when you need a quick reminder of the process.

I've included a list of resources that may help you out no matter where you are on your manifestation journey.

Sending you lots of love!

# Tips for Success

As you're watching the webinar, feel free to take notes on ideas that spark your interest.

If note taking is not your jam, that's cool too. You have the course for life, so you can easily re-watch part, or all of it, whenever you wish.

Use your intuition to guide you toward which techniques you should try first.  
(hint: if it feels good, do it.)

Remember to keep your mind open and your heart receptive.
