

Conversation (phrasal verbs)

Computer issues – Exercise

Fill in the gaps in this conversation.

A: My computer has ... **broken down** ... again.

B: Have you it and again?

A: Yes, but that hasn't the problem.

B: Sorry to this, but isn't it time you had a new computer?

A: Not really. I've this one so well.

B: Well, it's been lately.

A: I know, but I can't bring myself to it

B: But having it fixed may to be a waste of money.

A: I have to you there.

B: Why don't you what's wrong with it first?

A: OK, I'll someone to have a look at it.
