

Interview & Orientation for Supervised Visitation

Addendum

Just a little addendum due to some shenanigans we have encountered.

Starting immediately:

- . Each Visiting Parent will need to have a retainer on file BEFORE visits can begin.
- . The retainer will be equal to the price of one regular visit.
- . We will use the retainer to cover miscellaneous costs like consultations, extra documentation, or late cancels.

Also starting immediately:

- . Payment is due according to your contract, meaning on time!
- . Late payments will result in a canceled visit.
- . Repeated late payments will result in termination of services.
- . There are NO REFUNDS.

Please do not argue or haggle with staff about your special circumstances.

- . We cannot do favors.
- . We cannot show favoritism.
- . We cannot bend the rules.

WE ARE A NEUTRAL THIRD PARTY.

Thank you for your understanding and cooperation.
