

MANCINE PROFESSIONAL

Soft Wax/Strip Wax - an extremely hygienic formula that spreads with ease, leading to shorter treatment times and increased profits. Designed to be used in conjunction with the Mancine Spunlace, a revolutionary blend of traditional non-woven strips and muslin fabric. Spunlace pellon strips stick to wax immediately, giving fast and effective results.

Hard Wax/Stripless Wax - has a low melting point, high elasticity, and high pliability hard wax formula which helps to save time, is easy to apply, and removes even the shortest hairs, leaving skin silky-smooth.

Ultra Flexxx - a unique technology featuring a plastic texture that is ultra-flexible and strongly grips each hair. The Ultra Flexxx formula has a low melting point, is hypoallergenic, and is great for use on sensitive areas of the body.
