

Beach Buddy Photo Instructions

3/4" flat + True blue, white
Blend colors to your liking in the top background section.

3/4" flat or smaller + aqua or patina
Wash brush if desired or just add aqua color to the brush and apply horizontally.

3/4" flat or smaller + camel (sand color)
Fill in these areas.

3/4" flat or smaller + raw sienna
On left side of head and neck, start applying raw sienna. Blend as needed with camel color. It should be darker under the head.

Medium round brush + raw sienna brown, black
Mix colors to create a dark brown. Fill in nose, mouth, paws, adding lighter colors as desired.

Medium round brush + red
Fill in sunglasses, tongue, beach chair stripes.

Medium round brush + crushed coral
Fill in ear centers and lighten up tongue.

Medium round brush + yellow, orange
Create an ombre effect on shirt.

Round brush + red
Blob or dot on red to create an abstract floral design on shirt.

Round brush and/or detail brush + black
Fill in sunglasses
Round brush and/or detail brush + white
Make some waves in water.

Round brush and/or detail brush + true blue
Add a small line above each wave.

Detail brush + black
Pour new paint if necessary.
Outline ears, head, sunglasses, nose, mouth (with curved lines around edges of mouth), dots, tongue, shirt, paws, chair.

Beach Buddy Photo Instructions

Detail/liner brush + white
Add highlights to ears, head,
sunglasses, mouth, tongue, shirt, paws,
chairs.
Go over white areas on waves to
brighten them up if necessary.

To get a darker dog, replace raw sienna with burnt umber.
