**We are here on the planet** by Miranda Rondeau

We are here on the planet  
to remember we are living on the body  
of the mother, mother earth,  
Pachamama, Ma Gaia, Madre Tierra

Mother earth, Pachamama, Ma Gaia  
Madre Tierra we are here to remember  
We are a part of you  
We are made from you  
You are our mother  
We are your children

We are here on the planet  
to remember the rocks, the flowers  
the trees and the bees, the sky and the seas are our family.  
We're all related.
