

MENTORING SESSION 1

I. Look Back:

How did you see Jesus at work during the past week?

How was it praying for someone else's child, and having someone else praying for your child through the week?

Were you able to watch the video and complete the Bible study (unless you are doing the Bible study together in the group)?

II. Lesson

A. Video Discussion:

1) What were the main points you understood from the video lesson?

2) What difference should that make in the way you live?

B. Complete or Review the Interactive Bible Lesson from Session 1.

III. LOOK FORWARD

PRAYER FOR THE CHILDREN AND WRAP UP.

SESSION 1 HOMEWORK ASSIGNMENT:

Build transforming prayer into your life. Set aside some time every day just for fellowshiping with God

PLANNING- What “time wasters” can you eliminate, reduce, or simplify to give yourself more time to enter into direct fellowship with God?

When and where will you spend time alone with God each day?

During these times, spend a significant portion of that time doing the following:

- 1) **ADORE** God, **CONFESS** your **FAITH**, **SPEAK IN TONGUES** and **GIVE THANKS** *without speaking to God about any of your needs, failures, or things you want His help with.* Simply be with God and enjoy the Father’s relationship with the Son as your relationship. Spend enough time to allow your soul to “absorb” this perspective.
- 2) Reserve **SUPPLICATION** (exercising faith for specific needs) for the end of your prayer time.
- 3) Complete the video and Bible study for session 2 (unless you are doing this in your mentoring meeting together) before next week’s meeting.
