SOCIAL CONTRACT

As members of:
Type in names of different team members
 We establish this Social Contract and agree that when we are together we will - Treat each other with Respect, Honesty, Encouragement, Kindness, Friendship, Forgiveness, Dignity, Patience, Mercy, Trust, Empathy, Tact, Love, Value, Grace,
 Truth, Integrity, and Confidentiality, and will listen and not gossip! In addition, we will be Non-judgmental, Accountable, Flexible, Courteous, Committed, Productive, Ethical, Open, Slow to Anger, Supportive, Transparent, Clear, and Truthful. Any comments
Ally comments
If we talk to another member (who is not part of the problem or the solution) about something concerning a third party team member, we have 48 hours to bring that conversation to the attention of the third party team member as we have committed to shut down all gossip.
The effectiveness of this Social Contract rests on the extent to which everyone works toward its desired end. Each member must be willing to be held accountable for themselves. Team members must be willing to hold each other accountable as well.
Any comments

Assuming we agree on how to treat each other, what should we do if one of us does not follow the behaviours we agreed upon?

1. Assess the situation and go to the person one on one.

The steps to take when you go to someone are:

- a. Go in Love (Kindness) I care more about you than what you think of me
- b. In humility (I could be wrong)
- c. Pre-forgiveness worked out internally before the meeting
- d. 100% truth, just the facts on that situation

We agree to go to the other person with good intentions and desire to understand them.

- 2. Next step: if the situation is not resolved, then we will bring in two or three others who will be a witness to the words that are spoken.
- 3. Next Step: If the situation is not resolved, mutually agree to bring the issue to the Team.
- 4. If no resolution takes place then some sort of separation will take place (for example ask them to temporarily leave the meeting). It is our intent that every issue be resolved by step one and no further action will be needed.

Any comments	

We recognise we are imperfect. If we fail to live up to the agreement, we will take the initiative to apply the 6 step Apology:

- 1. Acknowledge what we did by stating the offense ("I did it")
- 2. Admit that we are wrong ("I was wrong")
- 3. Say that we are sorry ("I am sorry")
- 4. Ask "Will you forgive me and if and when you can, will you forgive me?" Wait for the answer.
- 5. Ask the person or group" "Will you hold me accountable? I give you permission to hold me accountable from now on."
- 6. Ask "Is there anything else?"

By signing this social	
	contract, we are committing to abide by and be held accountable t
	we as a team/organisation believe demonstrate the type of culturent will foster the best personal and professional development and
success.

MY LEADERSHIP PERSPECTIVES (CLUSTERS)

A leadership perspective is the viewpoint from which a leader sees life, analyses problems, negotiates issues, makes decisions, and interacts with others. Just as a globe appears different from varying vantage points, so circumstances appear different from varying leadership perspectives.

Is committed to growth, looks beyond problems to causes and develops precise solutions for success. Seeks to convert ideas into decisions and action.

2. Resourceful Supporter (Provider and Investigator)

3. Optimistic Analyzer (Idealist and Plant)

Seeks excellence in thought, word and deed; identifies problems as they arise and speaks truth boldly. Most likely to look for a new approach to a problem if the team gets bogged down

4. Dependable <u>Helper</u> (Server and Team worker)
Sees and meets others' practical needs, frees them to accomplish their goals and
invests time and energy in their success. Most active internal communicator.
Likeable, popular, unassertive: the cement of the team.

- 5. Harmonious <u>Mediator</u> (Evaluator) Is deeply loyal and compassionate, analysing the benefits and problems of a given direction. Within the team, though, a good improviser, active under pressure. Prevents team from losing touch with reality
- 6. Wise <u>Coach</u> (Teacher and Implementer)

 completeness. Most aware of individual needs and emotional undercurrents
