

NAVFAC Business Lines

Asset Management- The very foundation of the shore establishment, land and facilities, ensuring effective and efficient capacity, condition, configuration and capabilities to support comprehensive lifecycle management of real property. 202-685-9335

Capital Improvements- Technical practices, solutions, material and processes to support the entire lifecycle of Navy/Marine Corps facilities, while meeting operational and readiness requirements. 202-685-9170

Contingency Engineering- Contingency contracting, exercise and crisis planning, natural disaster support, remote construction, and technical reach-back support. 202-685-9133

Environmental- Encompassing all aspects of environmental stewardship—planning, compliance and cleanup, natural and cultural resource management, and restoration. 202-685-9312

Expeditionary- Total force support through the Navy Expeditionary Combat Command and other units ashore with procurement and fulfillment of equipment, material, technology, logistics and other resources for the warfighter. 202-685-6018

Public Works- Global facilities support and services for the Navy and Marine Corps through energy management, facilities maintenance, utilities privatization and consolidated services. 202-685-9232

OUR MISSION

NAVFAC is the Naval Shore and Expeditionary Systems Command that plans, builds, and maintains sustains facilities; delivers environmental, utilities and other base services; and acquires and manages expeditionary combat force systems and equipment.

OUR VISION

We are the facilities technical and business experts with the total trust and confidence of the Navy and Marine Corps.

OUR COMMITMENT

Small businesses, including service-disabled veteran-owned small businesses, historically underutilized business zone (HUBZone) concerns, small disadvantaged businesses and women-owned small businesses, are vital to our nation's economic health and security. NAVFAC is committed to providing the small business community with maximum opportunities to participate in our acquisition program as both prime contractors and subcontractors.
