

ENVISIONING SUCCESS

What is your definition of success?

Success is defined differently depending on the individual. My success is defined by the lives I change through my business.

For some success may be money, social status or being featured in a famous magazine. Take a minute to create your own definition of success.

My Definition of Success is:

Success does not lie in the result- it lies in the process.

What adjustments will you make in your life to make sure you achieve the goals you have in your life?
