

LIVE THE CHINESE LANGUAGE

Chinese Boardgames

Hi 您好!

I'm so honored to you've joined us for the *"Live the Chinese Language Challenge."*

That fact that you're here tells me that you're ready to put learning Chinese into practice and embrace the joy of living the Chinese language. Even if it's not your native language.

I know some of you are completely out of your comfort zone, and it may seem impossible. But trust me, this is one of the best way to **improve your child's Chinese learning progress quickly**, save time and money, and your family will enjoy it a lot.

During this 5-day challenge, you'll receive all the resources and support to make it possible.

Let's do this!
