Secrets of Terrific Type

Lesson 04-04: Justification Challenge

Let's get excited! It's time for another challenge.

Now that we've finished creating the Photo Grid Postcard, it's time for you to create something on your own.

There are no restrictions on what you can create. The only rule is use justification with your type in some way. Let what you learned in the lesson and homework help inspire you!

And remember, you're not limited to one thing. Make as many pieces as you want.

Here are a few ideas to help you get started

1. Create your own Photo Postcard using justified type.
2. Create a background paper that has justified type.
3. Create a scrapbook page with journaling that uses justified type.
4. Create a card that has a personal message on the inside with justified type.
5. Use a journal card on a scrapbook page that has justified type.
