

ASSESS YOUR RESTROOM OPTIONS

Currently, what restroom options are available in your building?

- One single occupancy restroom for men and one for women
- One single occupancy restroom for both men and women
- One multiple occupancy restroom for men and one for women
- All-Gender Restroom option

Which of these changes can you implement / ask someone to implement?

One single occupancy restroom for men and one for women

- Change both signs to “All-Gender”
- Include “with urinal” on signage, if applicable

One multiple occupancy restroom for men and one for women

- Change sign to “All-Gender”
- Include “with urinal” signage, if applicable

One multiple occupancy restroom for men and one for women

- Locate the closest Family Restroom
- Make available an All-Gender Restroom (change sign, if needed)
- Post supportive signage
- BONUS POINTS: Explore changing both single-gender multiple occupancy restrooms to becoming All-Gender Restrooms!

YOUR TASKS

- Do you need to talk with someone to make these changes? Who? When will you do this? _____
- Order new signage
- Discuss restroom options with your client
- Include information in your intake paperwork regarding restroom options
