

Worksheet Level 4, Lesson 12

Look for a vowel-consonant-e pattern (the silent-e syllable) in the following words. After you identify silent-e syllables, then continue dividing the words using the rules and tips for syllable division. Note: not every word has a silent-e syllable in it.

Syllable division is easy and fun once you understand it. If you or your student find this worksheet difficult, it's worth taking the time to re-watch the videos until you get it.
