

Your Winning Hand

StrongSuits
Play to your strengths

Fill in the five cards you have picked as 'Your Winning Hand.'

This is a record for you of your five top strengths.

Remember, a strength is something you love to do, not just something you can do or have learnt to do. It's so natural to you it sometimes surprises you that everyone else doesn't have this strength. People who have only just met you are likely to spot this about you. These are your strengths.
