

What Would Your Organization Do For \$15,000?

Revenue Projection

As Fundraising Partners For Over 70 Years, GBC Is Here To Assist You In All Your Fundraising Efforts During These Unprecedented Times

How It Works

Sign up for participation in the marketplace fundraising program

Promote to your supporters on all communication channels

Supporters create personalized cards choosing from hundreds of designs in the marketplace

Product ships from our location direct to purchaser within 24-48 hours

Your organization receives 20% of all orders placed on your behalf

How GBC Compares To Other Passive Fundraising Initiatives

GBC's passive fundraising initiative is designed to be promoted electronically making it a contactless experience.

With COVID19 disrupting in-person interactions there is a anticipated larger demand for holiday cards this year.

Other passive fundraising initiatives may require your organization to host in-person events or require tons of work to distribute physical items such as gift cards.
