NURSE ACADEMY

YOUR NURSING EDUCATION AND TRAINING HAS ALREADY PREPARED YOU FOR SUCCESS. AS A NURSE, YOU USE THESE QUALITIES EVERYDAY SO PUT THEM TO WORK FOR YOU, THIS TIME IN YOUR OWN BUSINESS

Seven Personal Qualities That Assure Success

1. You must **know** yourself and know exactly what it is you want. Goal-orientation is an essential requirement of all successful people.
2. You must determine the price you will have to pay and then resolve to **pay that price**.

Everything worthwhile has a price that must be paid – in advance. There is no such thing as something for nothing.

3. You must **accept 100% responsibility** for your life and everything that you **are** or **will** ever be.

"If it is to be, it's up to me!"

4. You must make a **total commitment** to your success. Burn your bridges; never think of turning back.
5. You must be **willing to work hard**, to go the extra mile, to always do more than you're paid for.
6. You must **use your time well**, every minute, every hour, every day. This life is **not a rehearsal** for something else.

"Think about your success all the time; you will always tend to move toward the realization of your dominant thoughts."

7. Back your plans with **determination and persistence** and resolve **in advance** that you will never give up.

"Try Harder."
