

# MINIMALLY SEAMED HEAVY DUTY VINYL

- Heavy duty vinyl
- Fewer seams to catch contaminants
- Wipe clean
- Available in black, grey or maroon vinyl

ENGINEERED FOR HEALTHY & SAFETY

## SAFEGUARD AGAINST CONTAMINANTS

H.O. Bostrom is leading the industry with choices to create a healthy environment within truck interiors. These options can help reduce exposure to cancer causing contaminants that firefighters face.

# CLEAN CAB OPTIONS

Durawear upholstery covers can be cleaned in several ways. Steam cleaning has worked extremely well for many fire departments. Our zip off covers can easily be removed and machine washed. Minimally seamed covers can simply be wiped clean.

*Studies show a wet-soap decon can reduce cancer causing contamination on gear by 85%\*.*

## Zip Clean Washable Covers

- Zip off covers are machine washable

## Foam Block™ Encapsulated Barrier

- Foam block encapsulated barrier reduces gas absorption

## Wipe Clean Minimal Seam Vinyl Cover

- Fewer seams that can catch contaminants

## Durawear Covering

- Waterproof
- Easy to clean (10% bleach/90% water disinfects pathogens)
- 1200 and 1800 denier

## Additional Options

### SCBA WITH PLASTIC BAG

Bag your contaminated SCBA and clean it at the station. SCBAs covered with approved bags still meet NFPA retention standards.

### RESTSTOP™

Adds back support when no SCBA is stored. Folds back and out of the way when SCBA is stored.

### SecureAll® WALL MOUNT

Safely stores SCBA inside cab or compartment.

### SPRAY

Spray on antimicrobial protective coating.

# ZIP OFF WASHABLE COVERS

ZIP OFF • MACHINE WASH • HANG TO DRY

- Zip off cover designed for machine washing and air drying
- Foam block encapsulated foam barrier to reduce gas absorption
- Durawear Plus™ 1800 Denier
- Tear resistant and waterproof with a fully-adhered PVC vinyl underside
- Heavy duty zipper with skirt to keep contaminants out
- Low seams improve wear
- Retrofits available for existing seats

Zip off headrest cover

Zip off bolster covers

Zip off cushion covers
