Spiderman oh Spiderman, he'll spin a web  
You know he can!

And put him in his place.

Barbie's in a huff today  
Cos Shawn the Sheep has run away  
Is he under the sofa? Who can say!  
It's such a big disgrace!

Chorus

High as a kite, round as a ball  
I love them one and I love them all  
From under the fridge to my dusty shelf  
I want to keep them, keep them to myself  
But if there's someone there  
I guess I can share  
If I really try, if I really try  
I'm sorry if I'm making too much NOISE!!  
...I'm playing with my toys!

Hush now the babies are fast asleep  
So into the Gruffalo cave we'll creep  
To dine on soup and slimy gloop  
And scribble on the wall

From a pterodactyl in an anorak  
So it's Buzz to the rescue, and Spiderman's back  
They're going to save us all!
