

Leaf Mobile Supply List

- Wax paper
- Deli sheet or a section of parchment paper
- Use of iron on cotton setting or a tack iron
- Scissors
- Glue stick
- Stick, best of dried
- Magazine page with lots of color
- Crewel needle, sharp point big eye.
- Utility knife or little saw to cut wood
- Waxed book thread or other thread you have around
- Possibly some Elmers white glue or other tacky glue
- Ruler

You can download leaf shapes and if you have fun scissor you can cut the edges with them.
