

January 2025 Catholic Icing Monthly Membership Checklist: Important Notes

To help you organize your membership materials, we decided to give a checklist a try. **Although I'm putting a date with many things, that's just what the feast day is. That doesn't mean that if you miss using a printable on a particular day that you shouldn't use it.**

I'm a big proponent of using these things when they work best for you and your family or classroom. It's great to use them near a feast day and talk to children about the feast day, but don't let yourself get too caught up and stressed out by dates. **Your children or students will remember the experiences, not that they were done on a particular date.**

Also, Lacy and I make the membership materials with the idea that no family or classroom will likely use every single printable. We purposefully include a lot every month and try to make the membership an excellent value so that it doesn't matter if there are some materials you don't use. **Don't let the checklist make you feel like you should be using everything.** Again, this is meant to enrich your life, not add stress to it.

Thanks for joining us as we move our way through the liturgical year!
