12 color Rembrandt set

+ travel brush +

12 color set of general colors of Rembrandt watercolors. In addition to the 12 colors included in the set, I added 2 half pans. 1, cad orange and 1 quinacridone rose. You can paint most anything with a #6 travel brush.

I also show a tube of Royal Talens white gouache which I sometimes mix with these colors. The brush is a Silver Brush Voyage travel brush.
