Complete the Challenge

Using the provided paper from Heather Roselli, follow the instructions for stamping and coloring to create something similar to this image below.

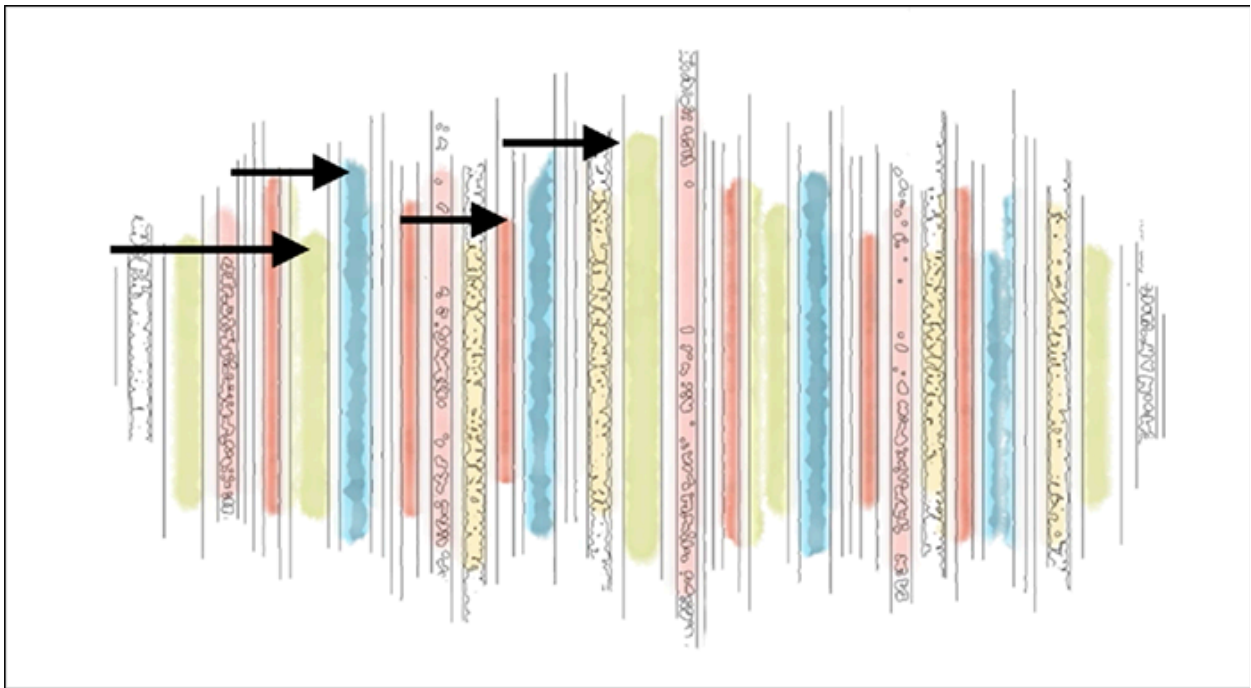

Things to make a note of:

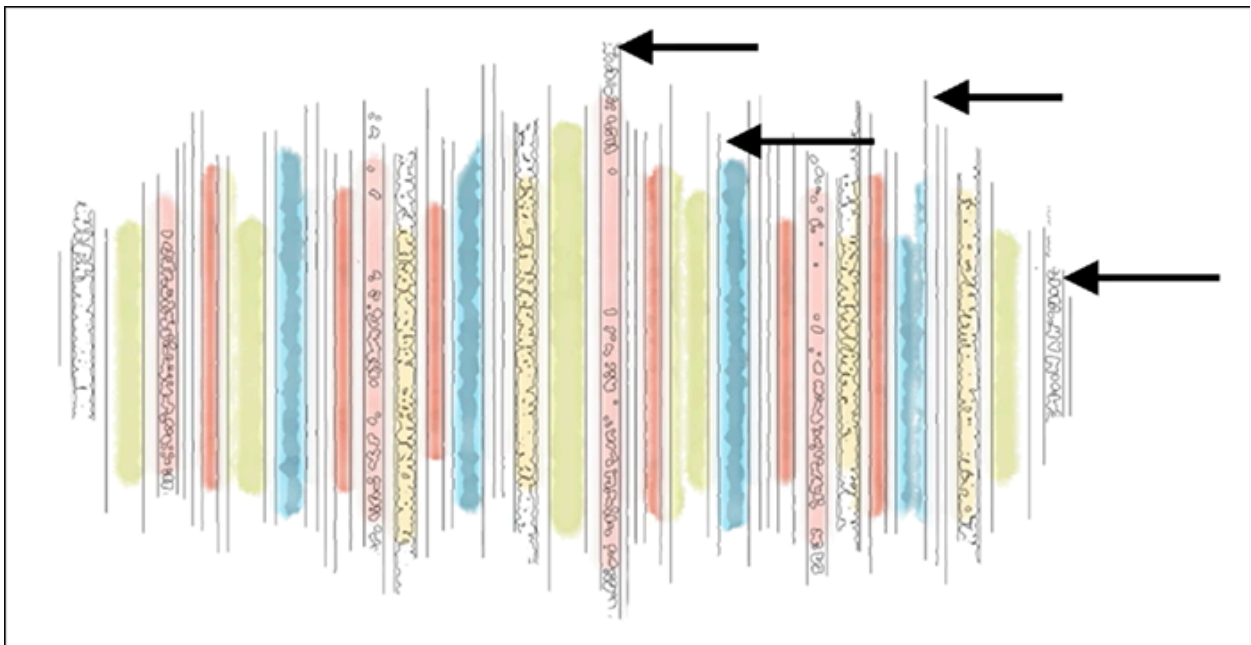

- Notice that I only used a small portion of the entire striped paper.

- Also take note that when painting in the stripes, I varied the lengths of the stripes.

- I also varied the length of the boundary lines and made sure they extended past the painted area.

- Do not move on to part 2 of this challenge until you've completed part 1.
- Try placing your stamped and colored image on a 7x5 greeting card.
- Consider using the paper and word art in the class downloads to finish things off.
- For easy online sharing of greeting cards, check out our [FREE Tent Card Template & Tutorial](#).
