**We celebrate the darkness
a time to turn within
a time to honor the silence
to rest and nourish again**

**Ayrah Hayriyo
Hayrah Hayra Hayra yo**

**We celebrate the darkness
a time for introspection
a time to gain perspective
to align, affirm intentions**

**Ayrah Hayriyo
Hayrah Hayra Hayra yo**

**We celebrate the darkness
like the seeds in the dark earth
like the seeds inside the womb
Preparing to give birth**

**Ayrah Hayriyo
Hayrah Hayra Hayra yo**

**We celebrate the darkness
This time is so sublime
Preparing for the light
A very sacred time**

**Ayrah Hayriyo
Hayrah Hayra Hayra yo**

Each New Day

Let's give Thanks
For this new day
To begin again
To begin again 2x

Full of possibility Within me
Is infinite Creativity 2x

Each new day
Full of possibility Let us grow
And explore
Our potentiality 2x

Full of possibility
Let us face
In the direction
Of our divine destiny

Water the Seeds

Water the seeds
of creativity
Gaze into the sea of infinity

Water the seeds
of possibility
Dance in the grace of the Mystery

Hereh wihyoh
Hereh wihyoh
Hereh wih-heresh wih-heresh wherih-yoh

Hereh wihyoh
Hereh wihyoh
Hereh wih-heresh heresh wherah-yoh

Water the seeds
Of generosity
To give is to receive, is to live abundantly

Water the seeds
Of divine unity
Let us all embrace we are all one family

I am Calm

I am strong

I am centered

I bring light

I bring love

May I see You

May I see You

In everything that I see

May I hear You

in every sound that I hear

May I feel You

In every place that I am

May I Pray

You guide my way everyday
