The Match

When we went to the Renaissance Festival, Jonah wanted to fence. He chose to battle grandpa. Grandpa is very competitive, but it wasn't his intention to beat him. The match started and grandpa was doing everything in his power to not pop Jonah's balloons. It was funny to watch grandpa as he would hit Jonah's balloons swinging them back and forth, but eventually one of Jonah's balloons popped. The referee helped Jonah by giving him some pointers and in the process popped one of grandpa's balloons. Now it was an even match again. They started the match again and Jonah did hit grandpa's balloon a couple times, but it didn't pop. Grandpa popped Jonah's second balloon. Grandpa did win, but Jonah wasn't upset because he had so much fun. August 20, 2022
