

## TIMING AND YOUR VISION

### INTRODUCTION

Every vision has an appointed time!

#### I. What Is “An Appointed Time?”

- A. The difference between “time” and “appointed time.”  
(Daniel 12:7, 1 Chron. 12:32)
- B. A great vision or calling from God will make one person and destroy another. (Romans 8:28)

#### II. There Are Two “Appointed Times” of Your Vision.

- 1) The Birthing Time
- 2) The Execution Time

- A. The birthing of a vision is a process.
  1. The Beginning Stage – CONCEPTION
  2. The Accumulating Stage – GESTATION
  3. The Culmination Stage – BIRTH

#### III. The second “appointed time” for your vision is “execution time!”

- A. Once a vision is conceived, there are only three possible outcomes:
  - Birth the vision.
  - Abort (kill) the vision (baby).
  - Kill the host (mother).  
(Isaiah 66:9, Rom. 11:20)

- B. Give the birthed vision time to mature!! (Acts 11:25, Acts 26:19)
- C. God has a “set time” to deal with the adversaries of your vision.  
(2 Cor. 2:11, Exodus 9:5-6, Psalm 118:10-12)
- D. God has a set time (an “appointed time”) for you to arise!  
(2 Cor. 6:2, Psalm 102:13)

### CONCLUSION

- Every vision has an appointed time!
- Don’t kill your vision by missing your timing!
- The God who birthed your vision within you will bring it to execution in its right time!
